Certificate

Patent No. 6,945,801 B2

Patented: September 20, 2005

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Cecil Brown, Detroit, MI (US); William R. Lyons, Southfield, MI (US); and Phillip Seminara, Farmdale, OH (US).

Signed and Sealed this Twelfth Day of September 2006.
